If any of the first 2 games for any such pool end in a tie, for sake of placement in the team's second game (winner vs. winner or loser vs. loser) a coin flip will be conducted and the winner of the toss will play in the winner vs. winner game and the loser of the toss will play in the loser vs. loser game.

Both team coaches should see the site director to conduct the coin toss.

For seeding into championship play the results of the game shall be used, and not the results of the coin toss. Thus the game is considered a tie. One point is awarded to each team and the number of runs scored and allowed are recorded.
