

Following is a list of those players in Maryland and Delaware that have committed, either verbally or in writing, to play softball at any collegiate level. This would include Divisions I, II, III or JuCo. We want this list to grow, so coaches, players and parents are encouraged to submit others as they become known. We do, however, want to keep the list limited to only those that will be participating in the softball program while at college. Please submit the player's name, summer team, high school team and the college she'll be attending. Send the information to Bill Dowell at bill@usssa1.com.
